- 5.5 Notwithstanding Rules 5.2, 5.3 and 5.4 if, following an event specified in Rules 5.2, 5.3 or 5.4 ("the Relevant Event" being; the date of the offer, the date on which the Compromise or Arrangement is sanctioned and/or takes effect, or the first day of the Relevant Period respectively) the Board procures that all Subsisting Options can be

exchanged pursuant to Rule 5.6 the Board may, in its discretion, determine by written resolution that:

- 5.5.1 Subsisting Options do not become exercisable as a result of the Relevant Event and any Subsisting Option which is already exercisable ceases to be exercisable as from the Relevant Event;
- 5.5.2 an Exit has not occurred by reason of the Relevant Event; and
- 5.5.3 that all Subsisting Options shall be released in consideration of the Grant of a New Option in accordance with Rules 5.6 and 5.7;

Provided that if the company which is the Acquiring Company in respect of the Relevant Event fails to grant or to make a binding contractual commitment to grant the New Options pursuant to Rule 5.6 within 40 days of the Relevant Event, such resolution of the Board will cease to be effective, an Exit shall take place as at the end of that 40 day period (to the extent that an Exit had not occurred prior to the Relevant Event) and all Subsisting Options which were Vested at the Date of the Relevant Event or which the Board determine shall Vest as a result of the Relevant Event will be exercisable pursuant to Rule 5.2, 5.3 or 5.4 (as the case may be);

- 5.6.1 a New Option shall be evidenced by an Option Certificate which shall import the relevant provisions of these Rules;
- 5.6.2 a New Option shall, for all other purposes of this Plan, be treated as having been acquired at the same time as the corresponding released Option.

- 5.7 For the purpose of any application of the provisions of this Plan following a release of a Subsisting Option and the grant of a New Option:
- 5.7.1 in the case of a release of a Subsisting Option and the grant of a New Option in circumstances where the Board has not made a determination in accordance with Rule 5.5, Rules 1, 4.3 and 5 to 9 (inclusive) shall apply and be deemed always to have applied to the New Option;
- 5.7.2 in the case of a release of a Subsisting Option and the grant of a new Option in circumstances where either Rule 5.1 applies or the Board has made a determination under Rule 5.5, all the Rules of this Plan shall apply mutatis mutandis to such New Option subject only to such amendments as the Board shall consider are necessary or appropriate to reflect the change in identity of the company over whose shares the New Options subsist or similar consequential changes. For the avoidance of doubt an Option Holder's New Option shall have the same Vested or unVested status immediately following the release and new grant as the corresponding released Options of that Option Holder and any determination made by the Board to accelerate Vesting in accordance with Rules 5.2, 5.3 or 5.4 shall be deemed not to have been made.
- 5.7A.1 Notwithstanding Rule 5.2.1, the Board may, in its absolute discretion, cancel all or any Subsisting Options (both Vested and unvested) in consideration for a cash payment to the Option Holder. The amount of the cash payment will be calculated on the basis of the difference between the Exercise Price of the Option being cancelled and the per share price paid by the person acquiring 100% Control of the Company, provided that, the per share price paid by the person acquiring 100% Control of the Company exceeds the Exercise Price of the Option being cancelled, however, if the Exercise Price exceeds the per share price, there will nevertheless be a cash payment of at least a nominal amount.
- 5.7A.2 If, following the event specified in Rule 5.2.1 (the "Relevant Event" being the date of the offer), the Board uses its discretion to cancel Subsisting Options in accordance with 5.7A.1, the Board may, in its discretion, determine by written resolution that:
- 5.7A.2.1 Subsisting Options do not become exercisable as a result of the Relevant Event and any Subsisting Option which is already exercisable ceases to be exercisable as from the Relevant Event;
- 5.7A.2.2 an Exit has not occurred by reason of the Relevant Event; and

5.7A.2.3 Subsisting Options will be cancelled for a cash payment in accordance with this Rule 5.7A.

Provided that if the cash payment is not made, or a binding commitment to make the cash payment is not made, within 40 days of the Relevant Event, such resolution of the Board will cease to be effective, an Exit shall take place as at the end of that 40 day period (to the extent that an Exit had not occurred prior to the Relevant Event) and all Subsisting Options which are Vested at the Date of the Relevant Event or which the Board determine shall Vest as a result of the Relevant Event will be exercisable pursuant to Rules 5.2, 5.3 or 5.4 (as the case may be).

5.7A.3 If, as a result of an event specified in Rule 5.2.1, the Board has exercised its discretion to cancel Subsisting Options in consideration for a cash payment in accordance with Rule 5.7A.1 and has resolved as set out in Rule 5.7A.2, the Option Holder will be deemed to release any Subsisting Option he holds in consideration for the cash payment.

5.8 If notice is duly given of a general meeting at which a resolution will be proposed for the voluntary winding-up of the Company, a Subsisting Option shall to the extent Vested at the date of such notice be exercisable in whole or in part (but so that any exercise hereunder shall be conditional upon such resolution being passed) at any time thereafter until the resolution is duly passed or defeated or the general meeting is concluded or adjourned, whichever shall first occur. Immediately after any such resolution is passed Subsisting Options shall, to the extent that they are unexercised, thereupon lapse.

5.9 If notice is duly given of a general meeting at which a resolution will be proposed whereby:

5.9.1 the class of shares for the time being constituting Shares will be altered; or

5.9.2 the rights attaching to shares which for the time being constitute Shares will be altered such that shares will cease to be Shares

Subsisting Options may at the discretion of the Board be exercisable and the Board in its discretion may specify whether this provision shall apply to Vested and unVested Options or to Vested Options only (but so that any exercise hereunder shall be conditional upon such resolution being passed) at any time thereafter until such resolution is duly passed or defeated or the general meeting concluded or adjourned,

whichever shall first occur. Immediately after any such resolution is passed all Subsisting Options (whether or not the Option was exercisable prior to the passing of such resolution) shall, to the extent that they are unexercised, thereupon lapse unless the Board shall have resolved to the contrary prior to the date of such resolution.

- 5.10 For the purpose of this Rule 5 other than Rule 5.6 a person shall be deemed to have obtained Control of a Company if he and others acting in concert with him have together obtained Control of it.
- 5.11 The exercise of an Option pursuant to the preceding provisions of this Rule 5 shall be subject to the provisions of Rule 7 below.
- 5.12 A New Option shall not be exercisable by virtue of the event on which it was granted.
- 5.13 For the purposes of exercising any discretions conferred upon the Board under this Rule 5, any member of the Board who is an Option Holder shall not be entitled to vote, and such discretions may only be exercised by members of the Board who are not Option Holders and, in the case of tie, the Chairman of the RGP Remuneration Committee shall have a casting vote.

6 Variation of Share Capital

- 6.1 In the event of any variation of the share capital of the Company, including, but without prejudice to the generality of the preceding words, any demerger (whether qualifying or not), capitalisation or rights issue or any consolidation, sub-division or reduction of capital the number of Shares subject to any Subsisting Option and the Exercise Price may be adjusted (including retrospective adjustments) by the Board provided that the Exercise Price for a Share subject to an Option to Subscribe shall not be reduced below its nominal value unless the Board gives an undertaking that upon exercise of such Options arrangements will be made for the capitalisation (in accordance with the Company's Articles of Association) of undistributed profits or reserves of the Company of an amount equal to the difference on any such exercise between the aggregate Exercise Price and the aggregate nominal value of the Shares to be issued upon such exercise.
- 6.2 Such adjustment shall be deemed to be effective, from the record date at which the respective variation applied to other shares of the same class as the Shares. Any Options exercised within that period shall be treated as exercised with the benefit of the variation.
- 6.3 The Grantor shall take such steps as it considers necessary to notify Option Holders of any adjustment made under Rule 6.1 and to call in, cancel, endorse, issue or reissue any Option Certificate consequent upon such adjustment.

7 Manner of Exercise of Options

- 7.1 An Option shall be exercised in whole or in part by the Option Holder or, as the case may be, his personal representatives giving notice in writing to the Company or its agent by the Notice of Exercise accompanied by the appropriate payment and the relevant Option Certificate and shall be effective on the date of the receipt of the appropriate payment and paperwork by the Company or its agent
- 7.2 Where an Option to Purchase is exercised the Shares subject thereto shall, subject to Rule 7.6, be transferred to or as directed by the Option Holder within 30 days of the date of exercise (or, if such transfer in such period would be prohibited by the Code of Practice, at the earliest practicable time after such prohibition is lifted) and the Trustee shall arrange for the delivery of a definitive share certificate in respect thereof. On the exercise of an Option to Purchase, the Trustees may, subject to Rule 2.10, procure that the Company issues sufficient Shares to or as directed by the Option Holder as provided for in Rule 7.3.
- 7.3 On the exercise of an Option to Subscribe, the number of Shares specified in the Notice of Exercise given in accordance with Rule 7.1 shall, subject to Rule 7.6, be allotted and issued credited as fully paid to or as directed by the Option Holder within 30 days of the date of exercise (or, if such allotment in such period would be prohibited by the Code of Practice at the earliest practicable time after such prohibition is lifted) and the Company shall arrange for the delivery of a definitive share certificate in respect thereof. On the exercise of an Option to Subscribe the Company may procure the transfer of sufficient Shares from the Trustee or another shareholder in the Company (in lieu of the issue of Shares by the Company) to or as directed by the Option Holder to satisfy the Option in full provided that such transfer must take place within 30 days of the date of exercise (or, if such transfer in such period would be prohibited as aforesaid, at the earliest practicable time after such prohibition is lifted) and the Company shall arrange for the delivery of a definitive share certificate in respect thereof.
- 7.4 Save for any rights determined by reference to a record date preceding the date of allotment or transfer, such Shares shall rank *pari passu* with the other shares of the same class as Shares then in issue.

7.5 If Shares in the Company are listed on a Recognised Exchange, the Company shall apply for Shares in respect of which an Option has been exercised to be admitted to the listing, if they were not so admitted already.

7.6 If, in respect of any Option Holder, any Group Company or third party shall be

- (a) required or permitted by the law of any jurisdiction to deduct or withhold any amounts in respect of tax and/or social security and/or employees' National Insurance contributions in respect of or on account of that Option Holder's liability for the same by reason of the Options granted to him, (whether any such requirement arises at the Date of Grant of the Options or at the date of exercise of the Option or at some other date); or
- (b) if the Option Holder shall be liable personally to account for tax and/or social security and/or employees' National Insurance contributions in respect thereof; and/or
- (c) if it shall be or become lawful for the liability of an Option Holder's employing company in respect of employer's social security or secondary national insurance contributions arising as a result of the exercise of his Option to be met or refunded in whole or in part by that Option Holder;

then in any such case as specified by the Option Holder either:

7.6.1 the Option Holder shall grant to the Company the irrevocable authority, as agent of the Option Holder and on his behalf, to sell and/or retain and sell subsequently and/or procure the sale of such number of Shares subject to the Option as is sufficient to realise net proceeds sufficient to enable the relevant Group Company or third party (as the case may be) to account for such amount of tax and/or social security and/or employees' National Insurance contributions including where it is lawful, the relevant Group Company's liability for the same arising as a result of the exercise of that Option and, in the case of a sale, the Shares issued or transferred to the Option Holder upon exercise of an Option shall be reduced by the number of such Shares as have been sold or retained as mentioned above; or

- 7.6.2 the Option Holder shall pay to the Company in such currency as may be required by the Company, (whether by cheque or by banker's draft) the amount necessary to satisfy such liabilities.
- 7.7 For the avoidance of doubt:
- 7.7.1 where in relation to Rule 7.6 the Option Holder opts in accordance with Rule 7.6.1, the Company shall account to the relevant Group Company or third party (as the case may be) with the net proceeds of sale for the Shares in order to enable the tax and/or social security liabilities to be settled and if, following such sale, there shall be any balance of the proceeds of sale or amount withheld not required to meet such liabilities, such balance shall be paid by the Company to the Option Holder for his own use and benefit absolutely;
- 7.7.2 if the Option Holder on exercise fails to specify either Rule 7.6.1 or Rule 7.6.2 or, if having specified Rule 7.6.2 he fails to make the required payment within 15 days of the date of that exercise, he shall be deemed for all purposes to have given an irrevocable authority within Rule 7.6.1.
- 7.8 If an Option Holder exercises an Option the Trustee or the Company may make arrangements with a third party bank or broker, to facilitate cashless exercises.

8 Administration and Amendment

8.1 The Plan shall be administered by the Board whose decision shall be final;

8.2 Option Holders shall not be entitled to:

8.2.1 receive copies of accounts, circulars or notices sent to holders of Shares;

8.2.2 exercise voting rights; or

8.2.3 receive dividends

in respect of Shares which have not been issued or transferred to such Option Holders on the exercise of Options in accordance with these Rules.

8.3 The Board may from time to time amend these Rules provided that:

8.3.1 no amendment shall be effective which would materially prejudice the interests of Option Holders in relation to Options already granted to them unless with such prior consent or sanction of Option Holders is obtained as would be required under the provisions for the alteration of class rights contained in the Articles of Association of the Company for the time being if the Shares to be allotted or transferred on the exercise of the Options constituted a separate but single class of shares and such Shares were entitled to such right;

8.3.2 the provisions relating to:

(a) Option Holders;

(b) limitations in Rule 3 on the number of Shares subject to the Plan;

(c) the basis for determining an Option Holder's entitlement under the Plan, the terms of such entitlement and the provisions for the adjustment of the same under the terms of Rule 6

cannot be altered to the material advantage of Option Holders without the prior approval of the Company in general meeting (except for minor amendments to benefit the administration of the Plan, to take account of a change in legislation or to obtain or

maintain favourable tax, exchange control or regulatory treatment for Option Holders, or for Participating Companies);

- 8.3.3 the Board may, subject to Rules 8.3.1 and 8.3.2 create sub-plans to this Plan in which it may make such amendments to the Rules as it considers necessary or desirable to operate the Plan in any jurisdictions in which Eligible Employees are situated and may implement such sub-plans in the form of schedules to the Plan applicable to the specified jurisdiction.
- 8.4 The cost of establishing and operating the Plan shall be borne by the Group Companies which employ the Option Holders in such proportions as the Board shall determine.
- 8.5 Any notice or other communication under or in connection with the Plan may be given either personally or by post or fax or email; items sent by post shall be pre-paid and shall in the case of notices or communications to the Grantor be treated as received on the day actually received by the Grantor and in the case of notices from the Grantor shall be deemed to have been received 48 hours after posting (whether by post or email).
- 8.6 The Board may exercise its discretion where it considers that it is necessary or desirable to do so, to provide that such Eligible Employees so designated by the Board shall receive awards which entitle them to receive a cash payment instead of Shares. Such awards will be granted on substantially the same terms as Options (save that there shall be no entitlement to receive Shares) subject to such modifications as considered appropriate by the Board.
- 8.7 The Board may determine at any time that no further Options be granted and may from time to time modify or at any time suspend or terminate the Plan (but without prejudice to Options already granted).

9 Miscellaneous

- 9.1 The rights and obligations of any individual under the terms of his office or employment with any Group Company shall not, except as specifically provided under the Plan, be affected by his participation in the Plan or any right which he may have to participate therein, and an individual who participates therein shall waive any and all rights to compensation or damages in consequence of the termination of his office or employment for any reason whatsoever insofar as those rights arise or may arise from his ceasing to have rights under or be entitled to exercise any Option under the Plan as a result of such termination.
- 9.2 The existence of Options shall not affect in any way the right or power of the Company or its shareholders to make or authorise any or all adjustments, recapitalisation, reorganisations, reductions of capital, purchase or redemption of its own shares or other changes in the Company's capital structure or its business, or any merger or consolidation of the Company, or any issue of bonds, debentures, preferred or prior preference stock ahead of or convertible into, or otherwise affecting the Shares or the rights thereof, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.
- 9.3 Neither the grant of an Option nor any benefit which may accrue to an Option-Holder on the exercise thereof shall form part of that Option Holder's pensionable remuneration for the purposes of any pension scheme or similar arrangement which may be operated by any Group Company.
